## JINGLUFA GROUP PROFILE

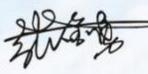

Since its inception, JINGLUFA has strived to meet the needs of our valued customers. We are committed to have good relations, transparency, best support and reliability with our clients. Our clients are fully aware that we have the skills, resources, expertise, after sales services and most importantly the ability to complete their projects to the highest standards on time. SINCERITY, TRUST, RESPONSIBILITY, PERSISTENCE, WIN-WIN AND GRATITUDE are the core of our corporate culture. And we follow strict safety regimes as well as quality procedures and strive continuously to improve its performance. We at JINGLUFA take pride in our achievements which we attribute to the dedication of our staff whose exceptional skills and expertise are the key values of our company's success.

Thanks to our loyal team of workers & professionals, we have succeeded in proving that we can deliver on our goals in time. We can rise to the challenge and excel in our performance to the (maximum) satisfaction of our clients. Our RESEARCH & DEVELOPMENT team is the heart and soul of our organization and has grown to become the main pillar by introducing latest technology and innovation with the passage of time and experience.

Having started as a small family business in 1997 it has been a very challenging journey and we are now among the top successful tent companies in China. We are proud of our past, active present and we look forward to a promising future.

Our successful business model is based on three strategic pillars; the first is RICH PRODUCTS TYPE which makes us diverse and more striking to capture the market the second is in providing our clients with the GOOD QUANLITY & PRICE and the third is the one without which neither of the first two would exist, it is GOOD SERVICES through our professional after saleing engineers.

## PROFESSIONAL TEAM >>>>> WOMENDETUANDUI

In the process of mutual cooperation, in order to achieve their respective life values, in order to complete the team's common goals, a kind of Jinglufa culture awareness is formed! Individuals and collectives can only rely on the strength of the team to surpass individual limitations and play a collective role in collaboration, resulting in the effect of 1+1>2. All employees start from the overall situation, all employees work together, and closely focus on corporate goals and cooperate with each other. Cooperate with each other to fully demonstrate the essence of corporate culture: sincerity, trust, responsibility, persistence, mutual benefit, and gratitude.
